

## HB 691 -- Public Water Supply Districts

Sponsor: Korman

Currently, a member of the board of directors of a public water supply district must be a voter of the district and have lived in the district for one year or, if not a voter of the district, must have received service from the district at his or her primary residence for a year prior to his or her election. This bill requires a member to be a voter in the district and have lived in the district for at least one year prior to his or her election.

All contracts made by a district must conform to Section 432.070, RSMo, that governs contracts by counties and towns. Currently, all contracts made by the district must conform to the laws governing contracts of other municipal corporations.
